**CDBG application workshops scheduled Oct. 18 & 19**

LĪHU'E – In its efforts toward efficiency, the Kaua'i County Housing Agency is set to implement a new online application system for the upcoming Community Development Block Grant (CDBG) funding. To facilitate the change, the Housing Agency will host two mandatory workshops next week.

The workshops will be held on Tuesday, Oct. 18, from 9 a.m. to 12 p.m., and Wednesday, Oct. 19, from 5 to 8 p.m., at the Līhu'e Civic Center, Pi'ikoi Building. The first one will be held in conference room A, while the second workshop will be in conference room B.

Organizations that are interested in applying for a CDBG grant must attend one of the workshops to receive a link for an online application.

Among the topics that will be covered are the types of projects and activities that are eligible for CDBG funding as well as the basic requirements of the program.

In addition, attendees will learn how to design projects involving infrastructure, community facilities and other activities that principally benefit low- to moderate-income individuals, families or communities.

Space is limited and a reservation is required to attend.

If you need an ASL interpreter, materials in an alternate format, or other auxiliary aid support, please contact Sharon Graham at 241-4427 at least seven days before the event.
